Change Leadership

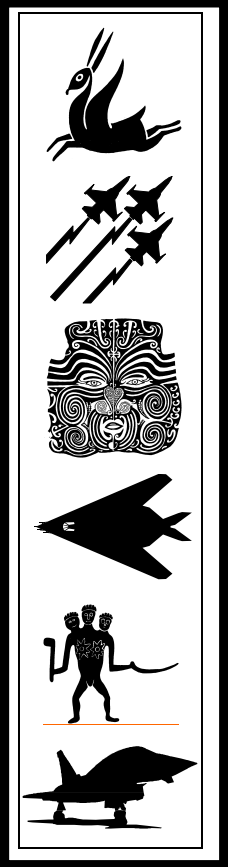
- **Management vs. Leadership**

Management	Leadership
Planning & Budgeting	Establishing Direction
Organizing & Staffing	Aligning People
Controlling & Problem Solving	Motivating & Inspiring
Produces Predictable Order & Can & Short Term Results	Produces *Change* Result in Long

Change Leadership



Roles & Responsibilities in Major Change Projects

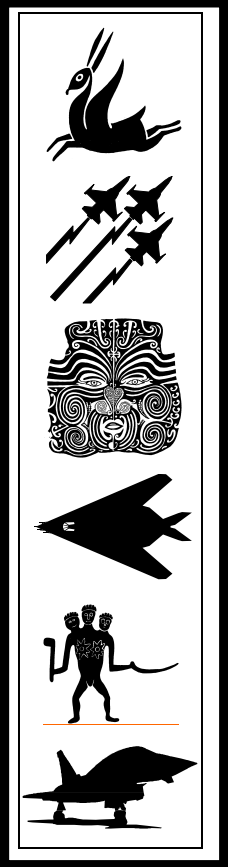
What You Can Do During Planning, Design, & Implementation of Major Change Projects

Change Leadership

Its not what the vision is, its what the vision does.

Peter Senge

Change Leadership



- Who are your
  - Change Agents?

- What are your
  - Success stories,
  - Anecdotes,
  - Lessons Learned?

Please let us help you recognize them….
